Lincoln Trail Libraries System Highlights Member Libraries

Champaign – Each week Lincoln Trail Libraries System will be featuring a system library with photographs and an interview on the ‘About Our Members blog’.

http://lincolntrail.typepad.com/about_ltls_members/

Our goal is to increase public awareness about the diversity of the system and promote collaboration between the system libraries. By learning more about each other we hope to help our members and the public understand what makes each library unique and what they have in common.

Beginning on Wednesday July 22nd, with Carle Foundation Hospital Library, we will be sending a formatted email to our list while simultaneously posting the information to the blog. If you would like to receive this email you may sign up via e-mail by sending a message with your name and e-mail address to ltls@lincolntrail.info

We will be contacting all our member libraries to set up a time to visit. If your library would like to request a specific date please contact LTLS Consultant, Michelle Ralston, at mralst@lincolntrail.info
