### **Donovan Junior/Senior High School Library Featured by Lincoln Trail Libraries System**

**Champaign** – Donovan Junior/Senior High School Library is Lincoln Trail Libraries System’s Library of the Week for October 21, 2009. Each week Lincoln Trail Libraries System features a member library to promote awareness about the variety of libraries and the services that are offered. Each Library a Week includes an interview with the librarian and a series of photographs of the library. One of the questions asked of each librarian is “what is unique about the library?” A new library is introduced every Wednesday in the “About our Members Blog” -- [http://lincolntrail.typepad.com/about\\_ltls\\_members/2009/10/li-2.html](http://lincolntrail.typepad.com/about_ltls_members/2009/10/li-2.html)

Donovan Junior/Senior High School Library joined Lincoln Trail Libraries System in 1990. The library’s membership in the system allows shared access to the resources of 119 multi-type libraries throughout central Illinois. A school librarian is in the unique position of working with every student. In the Donovan school district the librarian also works at the Elementary School Library. This means the librarian has the potential of working with some of the same students for up to thirteen years.

According to LTLS Executive Director Jan Ison, “Library A Week increases public knowledge about the member libraries of the system and promotes collaboration between the system member libraries. By learning more about each other, we hope to help increase the understanding of what each library contributes to information seekers in the Lincoln Trail area.”

Founded in 1966, Lincoln Trail Libraries System has headquarters in Champaign and is one of 9 multitype library systems in the State of Illinois. The System serves 7 academic, 52 public, 42 school and 16 special libraries in Champaign, Coles, Clark, Douglas, Edgar, Ford, Iroquois, Piatt and Vermillion Counties.
