America's  
Libraries

Sept. 22, 2005

Dear LTHS Board +  
Director Lew,

Thank you for your contribution  
of \$100 towards the library booth at  
the 2005 Farm Progress Show.

With your assistance and the  
help of Amy Weber, who assisted at  
the booth we were able to have  
a successful booth. At a minimum,  
4400 people went through the booth +  
the actual number is closer to 8,000.

We could promote reading  
and libraries because of your  
assistance - Thank You.

Beverly O'Neil,

Ex. Director RPLS
