Dear Jan:

The Illinois State Library has received your system's annual report for FY 2008. The submission of this important document is very much appreciated. Staff and management will begin the process of reviewing the annual reports. We look forward to reviewing your report on the year's activities and achievements. Should any questions arise during the review process, we will contact you.

What is your expected timeframe for receiving the system Audit and it being accepted by the board? Please send three copies to Neil Kelley when that has happened. He will place them in your notebooks and give a copy to Greg McCormick.

Your systems ongoing efforts toward our mutual goal of improving the level of library service available to Illinois residents help make our network exemplary.

Thank you for your cooperation and please contact H. Neil Kelley at 217-782-1891 or nkelley@ilsos.net should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Anne Craig".
