RE: Library System Area and Per Capita Grant Funding – FY07

Pursuant to Public Act 94-0798 and 75 ILCS 10/8(c), the Illinois State Library has calculated the annual Area and Per Capita Grant funding for each of the library systems. Allocations are based upon \$1.2682 per person residing within and \$47.4326 per square mile of each library system. This is the same funding level that you received in FY06.

Grant payments shall be made upon the availability of funds within the State Treasury and should be released similar to last year. There shall be seven payments issued to each library system. Please share this information with your business office personnel so that payments can be tracked appropriately.
